ABOUT ALPINE HOMECARE*

Alpine Homecare provides an affordable, non-medical solution for individuals who prefer to remain at home where their quality of life is enhanced through assistance with personal and household daily living tasks. With currently over 400 experienced personal care providers, Alpine is one of the largest, family-owned home care agencies in Denver.

We tailor our broad range of services to meet each individual client's specific needs. Our services include bathing, grooming, dressing, medication reminding, cooking/feeding, light housework and laundry, shopping, errands and much more.

Communicating with reluctant, unresponsive or even "difficult" clients and encouraging their cooperation is our specialty. You can rely upon us to get along well with you and your loved ones.

*FREE FOR MEDICAID RECIPIENTS

Our broad range of services is free for clients who qualify for Medicaid and is covered by some long-term health insurance plans. We can also arrange care on a private pay basis to provide only and exactly the level and quality of care you need.

ABOUT ALPINE ADULT DAY CARE

The **Alpine Adult Day Care** center brings affordable, high-quality adult day care to the heart of Aurora.

Visit our spacious, new location, including our fully licensed restaurant kitchen, entertainment, billiards and recreational facilities. Our participants enjoy daily activities that entertain, invigorate and encourage cognitive function.

We provide transportation between your home and our center, as well as daily excursions: From trips to the store/mall to trips to our state capital!

Alpine is Brain Injury certified. Our staff is specifically trained in caring for patients with traumatic brain injury.
